by Hitachi

G | CONNECT™

Wireless Storage for iPad®.

Highlights

- Wireless storage for iPad and iPhone
- Up to 5 SD or 3 HD streams simultaneously*
- Supports 5+ users
- Enjoy WiFi Internet access for multiple devices
- iPad and iPhone Apps available
- Password protection
- 3-Year limited warranty

Wireless storage for on-the-go access to content through your iPad® and iPhone®.

G-CONNECT™ wireless storage for your iPad and iPhone. Stream content to 5 devices at once, or even access the Internet*. Use it for on-the-go access to content that's not loaded on your iPad or iPhone, including your favorite movies, music, books, photos and documents. Loading content from a computer or laptop to the G-CONNECT™ is fast and easy.

Supporting 5+ users, G-CONNECT™ is ideal for home, dorm room, office, or hotel*. iPad and iPhone Apps are available for quick and easy access. And password protection means you always have control of your content.

Scan. Watch. Learn.

Three year limited warranty period.

* The streaming performance of the G-CONNECT is based upon expected available network bandwidth in real world conditions. Traffic on the local network or the presence of other wireless interference may result in less than perfect playback of content. While no explicit limits are placed on the number of devices, limiting the number of devices simultaneously using the G-CONNECT is suggested so that the user experience remains positive.
