ALL G-TECH PRODUCTS  
CARRY A COMPREHENSIVE  
3-YEAR WARRANTY

Three-year limited warranty period.

\* The streaming performance of the G-CONNECT is based upon expected available network bandwidth in real-world conditions. Traffic on the local network or the presence of other wireless interference may result in less-than-perfect playback of content. While no explicit limits are placed on the number of devices, limiting the number of devices simultaneously using the G-CONNECT is suggested so that the user experience remains positive.
